## FREE Missouri Open Door (MOD) Workshop Series

### Assistive Technology for Supporting Friendships

May 24, 2023  
12:30pm – 1:30pm

This workshop will provide participants an opportunity to learn about assistive technology ideas for supporting friendships. Learn how to meet new people and ways to stay connected. Through every-day skill-building strategies and integrated services and supports, the goal of this session focuses on:

- Providing immediate-use ideas for how to support friendships through technology
- Strengthening your everyday technology knowledge
- Incorporating/Understanding local service and support strategies
