The Division has posted new VBP resources to aid in REDCap data entry.

Employment Pay for Reporting REDCap Guide

The Employment Pay for Reporting REDCap Guide is located on the VBP Webpage under Resources below Employment Pay for Reporting.

VBP REDCap Data Reporting Elements

The Value Based Payment (VBP) REDCap Data Reporting Elements document outlines the general data reporting requirements for each VBP incentive. This document, located on the VBP Webpage under Resources, is designed to provide a high-level view of the data necessary for each incentive in order to be considered for a VBP payment.

The VBP data collection platform, REDCap, captures requests and data entry for the nine approved incentives. REDCap is a secure online data collection tool that can be bookmarked as a website link or added to browser favorites. Information about the VBP incentives, including data collection and REDCap training, are located on the Division's VBP webpage. To request user access, complete the REDCAP User Access Form.

VBP questions may be submitted to the Division VBP mailbox at DMHDD.VBP@dmh.mo.gov.
