Missouri APSE Annual Conference

The [Missouri chapter](#) of *The Association of People Supporting EmploymentFirst (APSE)* has opened registration for its annual conference July 18th to 21st in Columbia, MO. APSE is a national organization committed to improving and expanding integrated employment opportunities, services, and outcomes for people experiencing disabilities.

This year's conference will feature a celebration of the passage of Missouri's State as a Model Employer, Employment First and Ticket to Work Health Assurance bill by featuring a panel of state representatives, county representation and the City of Kansas City Model Employer legislation. The panel will also have representatives from the US Department of Labor Office of Disability Employment Policy's NEON project. There will be multiple presentations from national and local subject matter experts on increasing community based employment and strategies for implementing employment best case practices.
