Virtual Cohorts

3rd Tuesday of the Month

1:00-3:00 p.m. (beginning August 15th)

This certificate series offers in-person and virtual cohorts with free training and consultation for provider agencies. Participants will meet with the Risk Prevention Team as they guide agencies in a four-part workshop series supporting agency coaches to develop secondary interventions. Homework with follow-up support will occur between training dates and will include action planning, capacity building, and developing Tier 2 coaches.

All four courses and homework must be completed to earn the certificate. Seats are limited. When registering, only sign up for one cohort.

Courses:

- Tier 2 Readiness and Risk Screening
- Safety Crisis Planning
- Check In Check Out
- Do It Yourself Skills

Target Audience:
