

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

11/13/23

**FREE Missouri Open Door (MOD) Technology Series
Topic: Adaptive Gaming**

November 15, 2023
12:30 pm – 1:30 pm

During this webinar, participants will talk about adaptive gaming and its benefits, what Missouri Assistive Technology has to offer, and learn about gaming accessibility resources. Through every-day skill-building strategies and integrated services and supports, the goal of this session focuses on:

- Providing immediate-use ideas for gaming
- Strengthening everyday technology knowledge
- Incorporating/understanding local service and support strategies
