## **Support Groups for Kin and Grandparent Caregivers**

Thursday, November 16, 2023  
1:00 - 2:30 pm

Join the [Grandfamilies & Kinship Support Network: A National Technical Assistance Center](#) for the webinar "[Support Groups: Recruiting, Retention, and Everything in Between.](#)" This webinar is part of a series provided by the ACL-funded Grandfamilies & Kinship Support Network, which is led by Generations United.

In this webinar, Kathy Kinsner, senior parenting resources manager at ZERO TO THREE, and Dawn Davenport, executive director of Creating A Family, will describe the advantages of support groups and identify topics that might be included during group meetings. They will explore how to recruit and retain participants; schedule and structure in-person or online groups, and create an environment where all feel safe, seen, and welcomed. The webinar will include links to free or low-cost resources to get you started or to help you enhance what you already offer.
