

Improving lives THROUGH  
supports and services  
THAT FOSTER self-determination.

1/19/24

**FREE Missouri Open Door (MOD) Technology Series  
Topic: Winter Weather Assistive Technology**

January 24, 2024  
12:30 pm – 1:30 pm

During this webinar, participants will learn about using assistive technology to help avoid falls during cold and icy weather. Through every day skill-building strategies and integrated services and supports, this webinar will focus on:

- Providing immediate-use ideas for reducing winter weather fall risks
- Strengthening everyday technology knowledge
- Incorporating / understanding local service and support strategies.
