**FREE** Virtual Mini Conference  
"Supported Decision-Making: Everyone Uses It"

**January 13, 2024**  
**10:00am – 2:00pm**

People-First of MO is hosting a virtual mini conference featuring Cathy and Richard Enfield, and Jonathan Martinis, Esq., J.D.

Cathy is a self-advocate who uses Supported Decision-Making options to help her make decisions about the things she wants and needs. Richard is a parent who helps his daughter advocate for herself and others. Together they encourage using Supported Decision-Making as a way to help others make choices and achieve or maintain independence.

Jonathan Martinis is the Senior Director for Law and Policy at the Burton Blatt Institute (BBI) at Syracuse University. Jonathan leads BBI's national and international efforts to ensure that older adults and people with disabilities receive appropriate supports and services, including Supported Decision-Making, to lead inclusive, independent, and self-determined lives.

Self-Advocates, family members, caregivers, and anyone supporting a person with a developmental disability is encouraged to participate and learn.
