

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

1/2/24

Registration is Now Open

Shared Values Cohort Series

January 9, 2024

March 12, 2024

May 14, 2024

Organizations will have the opportunity to work with the Division of Developmental Disabilities Multi-Tiered System of Support team as they guide participants through building and implementing a systems of shared values in a live, three-part online workshop series. Organizations will receive ongoing support from the Positive Support Consultants (PSC) team after each workshop to continue expanding and implementing this system.

Attendance to all three sessions of the workshop is expected upon registration. All sessions are 9:30-11:30. [Register](#) for the shared values cohort.

An optional fourth session for sharing and networking about the experience will be provided on August 20, 2024, 9:00-11:00am.

For more information about Multi-Tiered System of Support, available trainings, and positive behavior support resources, visit the [Division website](#).
