## Upcoming Webinar

### Comprehensive Support Planning Tool

February 7, 2024  
2:00 p.m.

The Division of Developmental Disabilities Tier 3 Intensive Supports Team is hosting training on a Comprehensive Support Planning Tool to assist teams when problem solve challenging situations, especially following critical incidents. The use of the tool meets the requirement for comprehensive planning outlined in [9 CSR 45-3.090](#).

The Tier 3 team will demonstrate how to use the tool to identify underlying issues that contribute to challenging situations and strategies to prevent/address these root issues. The goal of the tool is to examine the factors that may contribute to the problem, and connect the events in a meaningful way to address and prevent the situation from worsening or issues reoccurring.
