Upcoming Webinar

MO DDD & You: Getting Familiar with DD Health Home

January 23, 2024
12:30 p.m.

This 30-minute lunch and learn style webinar will focus on providing information about the Division of Developmental Disabilities (DD) Health Home initiative. The DD Health Home is available to individuals who receive services through the Division of DD and have a qualifying chronic health care need. Participants will hear what the DD Health Home is and is not, review eligibility for participation, review the enrollment process, learn what Health Home services can do to assist with health management, and review related resources.

Presenters:

- Lisa Nothaus, Supporting Families Lead
- Leslie Bradley, Federal Programs Unit
- Cory McMahon, Constituent Specialist
- Donna Siebeneck, DMH Medicaid Consultant

Target Audience:

- Self-Advocates
- Families
- Caregivers
- Individuals
- Other interested individuals
