

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

2/26/24

Registration is Open

**8th Annual Charting the LifeCourse Showcase
"Embrace the All"**

April 23-25, 2024

Westin Kansas City at Crown Center

The LifeCourse Nexus invites advocates, families, and professionals to join together to network with others and explore how Charting the LifeCourse (CtLC) combines personal growth, community engagement, policy advancements, and technological innovations to promote self-determination and good lives for all.

This national Showcase is an opportunity to share and learn how CtLC principles interconnect and drive transformational change for all – all life stages and life domains in all practice areas, types of supports, and levels of change.

Discounted room rates at the Westin Kansas City at Crown Center are available for a limited time. Hotel rooms will need to be secured separately from the Showcase registration. Links for Registration and Hotel accommodations can be found on the [Charting the LifeCourse Events page](#).

Direct questions to LifeCourse Nexus at 1-800-773-8652 or umkcctlc@umkc.edu.
