Commit to Connect Webinar and Office Hours  
**Social Connection in Housing Communities**

Tuesday, April 30, 2024  
11:00 - 12:30

Join ACL's [Commit to Connect](#) initiative for a webinar on social connection and housing among older adults and people with disabilities. During the webinar, the [American Association of Service Coordinators](#) (AASC) will discuss the critical role housing plays in supporting social connections and how organizations can partner with housing communities to promote social engagement. Attendees will also hear from [Front Porch](#) and [Our Stomping Ground](#) on best practices to promote connection and inclusivity for all populations through housing.

Immediately following the 60-minute webinar, Commit to Connect will host a 30-minute virtual Office Hours session to allow for an open discussion among webinar speakers and participants.

This event will include CART captioning and American Sign Language interpretation. If you have any questions or additional accessibility requests, please reach out to [info@committoconnect.org](mailto:info@committoconnect.org).
