4. **HRSA Funding Opportunity: RCORP – Impact** - The Health Resources and Services Administration (HRSA) recently announced a new funding opportunity for the [Rural Communities Opioid Response Program \(RCORP\) – Impact](#). RCORP – Impact is a new rural opioid treatment and recovery initiative intended to supplement the work of [RCORP](#) by improving access to integrated and coordinated treatment and recovery services for substance use disorder (SUD), particularly opioid use disorder (OUD), in [HRSA-designated rural areas](#). The program’s goals include:
- “Goal 1: Service Delivery: Establish and/or expand coordinated and comprehensive SUD treatment and recovery services.
 - Goal 2: Workforce: Develop a responsive SUD workforce, which includes both peers and clinical providers with diverse scopes of practice.
 - Goal 3: Supportive Services: Establish and/or enhance coordination with supportive social services to ensure that rural individuals and families affected by SUD have the greatest opportunity possible for sustained, long-term recovery.
 - Goal 4: Sustainability: Develop innovative, multi-sectoral approaches to ensure the continued availability of services supported by RCORP – Impact in the target rural service area.”

Awardees are required to provide medication for opioid use disorder (MOUD). Funds can only be used to support activities in HRSA-designated rural areas.

Additional details on program requirements can be found in the program’s Notice of Funding Opportunity (NOFO) under "Related Documents," [here](#).
