

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

5/30/24

**Planning, Preparedness, Response, Recovery
Developmental Disabilities Services Awareness Training**
sponsored by Institute on Disability Awareness at Niagara University

Tuesday, June 18, 2024 9:00 - 12:00
Tuesday, June 25, 2024 1:00 - 4:00

This training will address access and functional needs to understand individual response, planning and preparedness, approach and direction, emergency plan content, and pre-planning considerations that are individually driven. Content will provide information that should be included in the plan of care and personal preparedness plans.

Topics include:

- Disabilities Awareness in emergency planning and preparedness specific to developmental disabilities service providers
- Access and Functional Needs defined to include Universal Design
- Plan of Care considerations
- Accessibility and Accommodation considerations in the planning process
- Community resources and other materials that assist in proper response
- Disaster Preparedness and Planning specific to developmental disabilities
- Network of Supports and how to establish
- To-Go kits

Intended Audience: Support Coordinators and Service Providers

There is no fee for the course but registration is required. [More information about the courses including registration](#) is available.
