Missouri's Master Plan on Aging

sponsored by the Missouri Association of Area Agencies on Aging

On June 13, the State of Missouri 2024 Needs Assessment Survey Launched on Polco, an online civic engagement platform. Randomly selected households will receive mailed survey invitations. If you receive an invite and meet the criteria listed, please follow the instructions to participate.

If you aren't selected for this initial survey effort, stay tuned. In July, the survey will be open to all adults age 50+, adults (age 18+) with disabilities, and unpaid caregivers (adults 18+ who provide care for another adult).

To receive an email notification when this survey is available, click this [link](#), select "Follow" next to Missouri Association of Area Agencies on Aging, and set up a Polco account.
