

6/20/24

FREE Missouri Open Door (MOD) Technology Series
Topic: Vehicle Modifications

June 26, 2024
12:30 pm – 1:30 pm

The Missouri Open Door (MOD) Workshop Technology Series is a FREE monthly virtual workshop, with each session designed to focus on a specific topic area that will provide participants with immediate use ideas and solutions.

During this webinar, participants will learn about different kinds of vehicle modifications. Through everyday skill-building strategies and integrated services and supports, the goal of this session will focus on:

- Providing immediate-use ideas for vehicle modifications
- Strengthening everyday technology knowledge
- Incorporating / understanding local service and support strategies
