MO DDD & You: Disaster Preparedness

June 25, 2024
12:30 p.m.

This 30-minutes lunch and learn style webinar will focus on the importance of planning and being prepared before a disaster or emergency happens. Participants will hear about the work being done by the Department of Mental Health's Office of Disaster Services to help people with disabilities, their families, caregivers, support staff, and service providers create detailed emergency plans to have in place. This webinar will highlight comprehensive guides that are available to assist with the planning process.

Presenters:

- Lisa Nothaus, Supporting Families Lead
- Debra Hendricks, DD Preparedness Coordinator, Office of Disaster Services

Target Audience:

- Individuals/Self-Advocates
- Family members/caregivers
- Other interested individuals
