Race: Other*	22.0%	6.7%	16.7%

*Multiracial, American Indian/ Alaskan Native, Asian, Native Hawaiian/PI, and other.

Note: Small sample sizes at the school level can make comparisons difficult. Take careful note of the demographic information listed above. Large differences in the sample, especially changes in the percent per grade, can influence the rest of the data in this report. This means differences may be a result of differing samples rather than an actual population differences.

Substances: Past 30 Days (% reflects "1+" answer)
