Free Family Coaching Series

Free Family Coaching opportunities will begin August 8, 2024, at 6:00 pm via WebEx. This is an ongoing opportunity for families and caregivers to learn more about positive practices and receive support, coaching, and resources from DMH Division of Developmental Disabilities Positive Supports Consultants.

Family Coaching is based on the Tools of Choice Curriculum, focused on positive supports, and strengthening relationships to create behavior change. For more information including registration, and additional session information, see the [workshop flyer](#). Certificates of attendance for each session will be provided.
