**FREE Missouri Open Door (MOD) Technology Series  
Topic: Assistive Technology for Spiritual Enrichment**

July 24, 2024  
12:30 pm – 1:30 pm

The Missouri Open Door (MOD) Workshop Technology Series is a FREE monthly virtual workshop, with each session designed to focus on a specific topic area that will provide participants with immediate use ideas and solutions.

During this webinar, participants will learn about technology that is available to help people participate and engage in spiritual enrichment. Through everyday skill-building strategies and integrated services and supports, the goal of this session will focus on:

- Providing immediate-use ideas
- Strengthening everyday knowledge about technology
- Incorporating and understanding local service and support strategies
