

10/15/24

## **VBP DSP Training Plan and DSP Apprenticeship Provider Events**

October 29th and 30th, 2024

9:30 - 3:00

Governor's Office Building, Room 316  
200 Madison St, Jefferson City, MO 65101

The Division is hosting two in-person events in Jefferson City on October 29th and October 30th, 2024.

### **October 29th, 2024 – For Current Participants**

This event is specifically designed for providers who are *currently participating* in the Direct Support Professional (DSP) Training Plan and/or DSP Registered Apprenticeship Value Based Payment (VBP) Incentives. The day will focus on sharing success stories, best practices, and tools to maximize engagement. There will be in-depth exploration of Relias and REDCap reporting, along with opportunities for interactive discussions with fellow providers.

### **October 30th, 2024 – For New Participants**

This event is tailored to providers who are interested in getting started with the DSP Training Plan and/or DSP Registered Apprenticeship VBP Incentives and are looking for additional information on how to begin. There will be an introduction to tools and resources, including Relias and REDCap, and an opportunity to connect with experts and fellow providers.

Both events are ideal for provider teams that include individuals responsible for staff training and retention, incentive reporting, anyone responsible (or has a role in) the effort of working towards the DSP Training Plan and Registered Apprenticeship VBP Incentives (excluding learners/DSPs), and other interested individuals.

### **[RSVP Form](#)**

Division and Guidehouse team members will be present to answer questions about other VBP incentives and REDCap, with time at the end of each day to review any general VBP Incentive questions.
