**FREE** Missouri Open Door Monthly Workshop Technology Series  
Topic: Make More, Buy Less

February 26, 2025  
12:30pm – 1:30pm

The Missouri Open Door (MOD) Workshop Technology Series is a FREE monthly workshop, with each session built around a designated topic-area that will provide immediate-use ideas and solutions for participants and people they support, all with a specific focus on using technology.

During this session, participants will discuss the pros and cons of making their own assistive technology. Discussion topics will include 3D printing as well as making technology with other materials. Resources and other do-it-yourself projects that have helped a variety of people will be shared.

[Register](#) for this workshop.
