

### Electronic Visit Verification (EVV) Claims Validation MO HealthNet Provider Bulletin

A DSS Provider Bulletin has been issued to advise Home and Community Based Services (HCBS) providers of the next phase for the Electronic Visit Verification (EVV) claims validation. A soft launch in Fall 2025 requires matching of claims to the data entered for each visit in the EVV Aggregator Solution (EAS) before payment of the claim.

Please refer to [Electronic Visit Verification \(EVV\) Claims Validation](#).

For questions regarding EVV and the claims validation phase, visit the [EVV webpage](#) or contact Ask.[EVV@dss.mo.gov](mailto:EVV@dss.mo.gov). [Subscribe](#) to receive important MO HealthNet updates.
